Detailed Specification and Special Considerations

The Iron County C-4 School District is currently seeking bids for:

Tree, Grass and Brush Removal for Northern Side of Track Hillside and Drainage Area:

- All grass, trees, and brush are removed at ground level in the identified area on the north side of the track from the staging area on the hillside, stopping just before the track shed.
- All areas should be sprayed and treated for tree, grass, and brush removal. Excess trees and brush should be removed from District Property.
- Some areas will need to be hand-cut and trimmed due to steep slopes around areas of the track drainage system.
- Some areas will be designated as “No Equipment Areas.”
- The District will identify utilities, and contractors must maintain identified areas.
- The District will require the hillside surrounding the track to be prepped for hydroseeding and creeping vegetation to be established, similar to what is done on highways and interstates to help eliminate the erosion issue on that end of the track.

1. The Contractor must visit the site before submitting a Proposal so that the Contractor has knowledge of the worksite and possible limitations due to location of the track and surrounding ravine and culverts.

2. The Contractor must submit a complete Proposal covering all requirements identified in this RFP package in order to be considered. All Proposals will be carefully scrutinized to ensure that such requirements can be met. Proposals submitted must be the original work product of the Contractor.

3. The Contractor must submit three (3) original copies of the Proposal in sealed envelopes plainly marked “High School Track Brush/Tree Removal - RFP”. Proposals should be delivered to:

Mr. Adam Portell - Superintendent
Iron County C-4 School District
20 Missouri Avenue
Viburnum, Missouri 65566

4. Proposals will be received until April 15, 2025, at 10:00 am. Electronic or facsimile offers will not be considered in response to this RFP, nor will modifications by electronic or facsimile notice be accepted.

5. The District is not responsible for lateness or non-delivery by the US Postal Service or other carrier to the District. The time and date recorded by the District shall be the official time of receipt.

6. Proposals may be modified or withdrawn by written notice or in person by the Contractor or its authorized representative, provided its identity is disclosed on the envelope containing the Proposal and such person signs a receipt for the Proposal, but only if the withdrawal is made prior to the submission deadline.

7. The information presented in the RFP is not to be construed as a commitment of any kind on the part of the District. There is no expressed or implied obligation for the District to reimburse responding firms for any expenses incurred in preparing Proposals in response to this request.

8. No alternate Proposals that significantly deviate or modify the concept and ultimate objectives of this RFP will be considered. Non-compliance with RFP specifications will disqualify Proposals from further consideration.

9. Any explanation or statement that the Contractor wishes to make must be contained with the Proposal but shall be written separately and independently of the Proposal proper and attached thereto. Unless the Contractor so indicates, it is understood that the Contractor has proposed in strict accordance with the RFP requirements.

10. The District reserves the right to reject any or all Proposals and to waive informalities and minor irregularities in Proposals received. The District, in its sole discretion, will determine whether an irregularity is minor.

11. The District reserves the right to decline any or all Proposal submissions, or to cancel the RFP, in whole or in part, at any time prior to making an award, for any reason, or no reason, without liability being incurred by the District to any Contractor for any expense, cost, loss or damage incurred or suffered by the Contractor as a result of such withdrawal.

12. All Proposals shall be deemed final, conclusive and irrevocable and no Proposal shall be subject to correction or amendment for any error or miscalculation. No Proposal shall be withdrawn without the consent of the District after the scheduled closing time for the receipt of Proposals.

13. Proposals, prices, terms and conditions shall remain firm for a period of ninety (90) days from the due date for Proposals or until that time when the District takes official action on the Proposals.

The information is not guaranteed or warranted to be accurate by the District, nor is it necessarily comprehensive or exhaustive. Nothing in this RFP document is

All changes to the RFP will be posted on the Iron County C-4 School District website, [Iron County C-4 – Home of the Blue Jays \(ironc4.k12.mo.us\)](http://ironc4.k12.mo.us).

15. The Contractor is responsible for its own verification of all information provided to it. The Contractor must satisfy itself, upon examination of this RFP, as to the intent of the specifications. 16. No oral interpretation will be made to any Contractor as to the meaning of the RFP. Any oral communication will be considered unofficial and non-binding on the District. Unauthorized contact by the Contractor with other District employees or Board members regarding the RFP may result in disqualification.

17. Requests for interpretation must be made by email no later than April 15, 2025 to Superintendent, Adam Portell. Any information given to a Contractor concerning the RFP will be furnished to all Contractors as an addendum to the RFP if, in the District's sole discretion, such information is deemed necessary to all Contractors in submitting Proposals in response to the RFP, or the lack of such information would be prejudicial to uninformed Companies. The Contractor should rely only on written statements issued by the District in the form of an addendum.

18. The District reserves the right to modify the specifications prior to the Proposal submission deadline and will endeavor to notify all potential Contractors that have received a copy of the specifications, but failure to notify shall impose no obligation or liability on the District.

20. No Contractor shall engage in any activity or practice, by itself or with other Contractors, the result of which may be to restrict or eliminate competition or otherwise restrain trade. Violation of this instruction will result in immediate rejection of the Contractor's Proposal.

21. The District may accept one part, aspect or phase, or any combination thereof, of any Proposal unless the Contractor specifically qualifies its offer by stating that the Proposal must be taken as a whole.

22. The District is exempt from the payment of city, state and federal taxes. Such taxes must not be included in the Proposal price.

23. It is understood that the Contractor is an independent contractor supplying services to the District. Neither the Contractor nor its employees shall represent themselves to be employees,

agents, representatives, partners or joint ventures of the District for any purposes whatsoever.
